Every spring, the Jewish Community Foundation, Inc. provides financial awards to benefit students from South Jersey pursuing higher education. The following is an overview of the process:

- Awards are available predominantly, though not exclusively, for Jewish applicants

- Applications can be downloaded from [www.jcfsnj.org/scholarships](http://www.jcfsnj.org/scholarships)

- The deadline to apply is **Monday, March 1, 2021 at 5:00 PM**. Award results will be announced in May 2021.

- All applicants must reside in either Burlington, Camden, or Gloucester county (exception: JWV Post 126 Award).

- The JCF offers a variety of separate scholarship awards, each one with its own criteria.

- Applicants should review the criteria for each award, and may apply for multiple awards for which they feel qualified. Only one application per person is necessary, but applicants must submit all necessary documents (i.e. essays, transcripts, etc.) as required by each award's guidelines.

- A total of approximately $30,000 in awards is available each year.

- Awards are primarily paid directly to the institution where students owe tuition. (Note: we encourage awardees to contact their bursar’s office to ensure that their award does not get displaced.)

- Each award is provided to a recipient once, for students planning to use the award in the upcoming school year. Applicants are welcome to reapply in future years.

- A committee of JCF volunteers reviews and approves all awards.
